## 2020 COVID-19 (CORONAVIRUS) Risk Assessment Questions

In order to reduce COVID-19 exposure for you, your family and our staff, please review the following questions prior to entering the building. If the answer to any of the questions is "Yes," please leave immediately and call your caseworker.

- Are you or is anyone in your home **ill** and **potentially contagious**?
- Do you have a **chronic medical condition** that compromises your health or may put you at **higher risk for infection or illness**?
- Do you, or does anyone in your home have a **fever** (100.4 or higher) and/or a **cough** and/or **shortness of breath**?
- Have you or anyone in your home been in **contact with persons with COVID-19**?
- Are you or is anyone in your home a **healthcare worker caring for patients with COVID-19**?
- Have you or anyone in the home **recently traveled** to countries of elevated risk of exposure, including **China, Iran, Italy, South Korea, Japan, Hong Kong; or to Europe**? *(This list is subject to change per CDC guidelines.)*

→If yes, has it been less than 14 days since the return to the United States?
